

Thesis question

Greig Russell

2018-03-22

Introduction

No question occurs without a context or an origin story. Typically, in philosophy questions like “What is the nature of reality” and “how do I know that I am right” are considered? This question will focus on the epistemological challenge of the later. This issue has been the focus of philosophers (Descartes) and non-philosophers (Trump) for many centuries.

Using Descartes [2013] as a starting point [Descartes, 2013]
[Cresswell, 2012]
